**RE: Biermann Avenue Improvement Project (Sunset to North)  
Project Introduction**

Dear Resident:

This letter is to inform you that the Village is in the process of beginning preparations for the planned **Biermann Avenue Improvement Project**. Design of the project is underway, with preliminary surveying operations expected to begin the week of April 10, 2023.

This project consists of improvements on North Biermann Avenue from Sunset Drive to North Avenue. The project includes pavement improvements and the replacement of the existing 6" water mains. The water main improvements may be funded through an IEPA Water Loan. Some selective sanitary sewer system improvements are also included. General information as well as periodic updates on the project can be found on the dedicated webpage located on the Village website: <https://www.invillapark.com/1024/Biermann-Avenue-Sunset-to-North-Avenue>

In addition to the website, the Village uses a notification service called CodeRED to provide project information and updates, including notices about road closures, water shutoffs, driveway access restrictions, etc. These updates are provided in a variety of ways, including email, text messages, and the CodeRED mobile app. If you are interested in signing up for CodeRED please use the QR code below or follow the link to complete the process: <https://arcg.is/fiiHG>

If you have any questions or would like additional information, please do not hesitate to contact the engineering division by email at [engineering@invillapark.com](mailto:engineering@invillapark.com) or by phone at (630) 834-8505 between the hours of 7:30 a.m. to 4:00 p.m.
