**RE: North Avenue Townhomes Lift Station Project**

Dear Resident:

**PLEASE NOTE IF YOUR VEHICLE IS NOT MOVED BEFORE 7:00 A.M. ON THURSDAY, SEPTEMBER 10, 2015, YOU WILL NO LONGER BE ABLE TO LEAVE THE PARKING AREA. PLEASE FOLLOW GUIDELINES FOR ALTERNATIVE PARKING BELOW.**

**There will be no access to the parking south of the townhomes during construction.** During this time, residents will be allowed to park overnight on Roy Drive, Ridge Road, James Street, Sunset Drive, and Merle Street between Lincoln Avenue and Westmore Avenue in Villa Park, where permitted. Residents will also be able to park at Safari Land, located at 701 West North Avenue in Villa Park, in the designated parking spaces shown on the attached map.

Residents may not park overnight on any streets in the Village of Lombard, including, but not limited to, Kramer Avenue, LeMoyne Avenue, Vista Avenue, Joyce Avenue, and Edgewood Avenue. We ask that motorists follow all posted parking signs. You will receive another letter from the Village of Villa Park when access to the parking south of the townhomes is restored, and you will need to remove all cars from the streets and the Safari Land parking lot at that time.

The general contractor for this project is John Neri Construction, Inc., of Addison, Illinois. All questions and comments regarding this project should be directed to the Village of Villa Park Engineering Division at (630) 834-8505. We will make every attempt to keep you informed of construction progress and activities, and thank you in advance for your patience throughout the course of this project. If you have any questions or would like additional information, please do not hesitate to contact us.
